

The Voice of the Lord Part Two Thursday 28 days

The objective of these 28 days is fourfold: **To receive** a fresh delivery, a new transference, a new impartation and a new measure of the Lordship of Christ – **To retain**, to be able to hold onto, able to contain Him the Christ and His fullness - **To Mature**, to spiritually advance holistically - **To Multiply**, to reproduce, to increase the spiritual state and stature of your inner spirit man.

Prophetic word given to the Dream Centre

Just as the clocks go forward, the world takes notice and brings itself into alignment with the change. As you see the natural change so God has invaded time. Mark this moment, mark this day as a spiritual marker, a day where God declares an acceleration of action in the lives of His people, individuals and corporate life. Walls of resistance are broken, that which was hindered and was held back, its time has come to an end. I see cracks appearing and water seeping through the dams that have held back the river of life. Align yourself to the time for the season of acceleration. The season of acceleration is **Now** the season begins in **You Today**.

The voice of the Lord Psalm 29

Psalm 29:1-11 *Ascribe to the LORD, O mighty ones, ascribe to the LORD glory and strength. Ascribe to the LORD the glory due his name; worship the LORD in the splendour of his holiness. The voice of the LORD is over the waters; the God of glory thunders, the LORD thunders over the mighty waters. The voice of the LORD is powerful; the voice of the LORD is majestic. The voice of the LORD breaks the cedars; the LORD breaks in pieces the cedars of Lebanon. He makes Lebanon skip like a calf, Sirion like a young wild ox. The voice of the LORD strikes with flashes of lightning. The voice of the LORD shakes the desert; the LORD shakes the Desert of Kadesh. The voice of the LORD twists the oaks and strips the forests bare. And in his temple all cry, "Glory!" The LORD sits enthroned over the flood; the LORD is enthroned as King forever. The LORD gives strength to his people; the LORD blesses his people with peace.*

Remember, if the heavens have a voice and Jesus is the word, you must become a vessel in which both the voice and the word can be heard. This word spoken through you is what reshapes situations, circumstances, along with reshaping entire landscapes, for this is the power of the word of the Lord in our mouth.

1Kings 8:56-60 *"Praise be to the LORD, who has given rest to his people Israel just as he promised. Not one word has failed of all the good promises he gave through his servant*

Moses. May the LORD our God be with us as he was with our fathers; may he never leave us nor forsake us. May he turn our hearts to him, to walk in all his ways and to keep the commands, decrees and regulations he gave our fathers. And may these words of mine, which I have prayed before the LORD, be near to the LORD our God day and night, that he may uphold the cause of his servant and the cause of his people Israel according to each day's need, so that all the peoples of the earth may know that the LORD is God and that there is no other. But your hearts must be fully committed to the LORD our God, to live by his decrees and obey his commands, as at this time."

Breakdown of 1 Kings 8

1. The people had rest, they were not an anxious people. **V56**
2. They had a history of walking in His word and living by His word, as not one of God's promises had failed them. **V56**
3. They were asking the same God who walked with their forefathers to walk with them also. **V57**
4. They wanted a move, whereby they recognised that unless God guides, guards and governs their hearts, they individually and corporately could not encounter a spiritual acceleration in their walk and development. **V58**
5. They had intelligent prayer that could touch the heart of God. **V59**
6. They desired this word and move, to build for them a legacy so as continuous generations would know of God's goodness and his ways. **V60**
7. They had a sober conscience and inner awareness of the immediate timing and hour of God for their lives. **V61**

1Kings 17:1 *Now Elijah the Tishbite, from Tishbe in Gilead, said to Ahab, "As the LORD, the God of Israel, lives, whom I serve, there will be neither dew nor rain in the next few years except at my word."*

If the voice of the Lord can speak to the heavens, stopping rain to fall on the ground, then the same voice can reopen the heavens, so that the earth begins receiving, retaining, maturing and multiplying a spiritual harvest in you personally and in us corporately as a house.

The voice of the lord breaks the cedars. V5

Timbers speak of that which gives strength to your spiritual structure. That which takes the strain of your life, that which is built by pattern and design holds a house upright. The moment you have damaged joists in the floor you must replace them or they pose a real threat to the safety of the structure.

This is the time to allow the spirit of God to restructure you. This is the time to ask the spirit to lift up those timbers that are twisted, warped and damaged within your heart. This is God's time of refurbishing by the word of God.

David's refurbished heart and life prayer.

Psalm 51:10-11 *Create in me a pure heart, O God, and renew a steadfast spirit within me. Do not cast me from your presence or take your Holy Spirit from me. Restore to me the joy of your salvation and grant me a willing spirit, to sustain me.*

David had been stripped bare.

His joists were warped and twisted for all of his life was stripped bare and exposed.

The voice of the Lord was thundering in his soul.

The ox character, once useful for God's purposes, was weak but would again become strong.

A divine pruning was taking place and so it must take place in us.

David's life once again returned to him, experiencing heaven's waters flowing through his life.

Ask God:

How are you are to receive this word?

How does He want you to retain this word? This way your obedience will become complete.

How does He want you to mature this word? And what must you do for this to happen?

How does He want to multiply this word in and through you?

The voice of the Lord brings strength and peace. V11

I must press in so that my mind, heart and soul will not waver, abandon, stray or drift from the path of my calling, work, task and assignment - this is the strength I need.

You need strength so you can finish strong rather than weak.

I need this strength so that I can labour with Christ's energy which so powerfully works within me.

I need this strength so the good work started in me by God can be brought to the place called finish, complete and signed off.

I need this strength to help see the kingdoms of this world become the kingdom of our Lord and His Christ.

I need this strength to see all Christ's enemies bow down, becoming His foot stool.

You need this strength, like David in Psalm 51:13 said "With this strength I will teach transgressors your ways, and sinners will turn back to you."

Psalm 51:16-19 *You do not delight in sacrifice, or I would bring it; you do not take pleasure in burnt offerings. The sacrifices of God are a broken spirit; a broken and contrite heart, O God, you will not despise. In your good pleasure make Zion prosper; build up the walls of Jerusalem. Then there will be righteous sacrifices, whole burnt offerings to delight you; then bulls will be offered on your altar.*

Corporate & Individual prayer:

Lord, with this renewed strength, I will ensure that I bring before you pleasurable sacrifices with my life. The sacrifice of my broken spirit and contrite heart will become pleasing before you. With this strength and through your word, in your divine purpose for the Dream Centre, make her prosper, build up the walls of Tameside and Greater Manchester, build the walls up in your church so that the sacrifices of the church will become pleasing and accepting. May you be delighted by that which you see and delighted by that which is brought before you.

The voice of the Lord cleanses: V4

My past is in the past, for I am not what they say I once was, I am clean and clear of my past.

I am no longer guilty, downcast, for His word has cleansed me once and for all. I am a new man, a blood-washed child of God.

The voice of the lord is the proceeding word:

Everything starts with word-seed, seed when sown into good soil receives, retains what is sown, so that it can mature through time and process and that which has matured through season and process is spoken out and laid hold of.

God's word in you has been sown into you in seed form. It is this seed which must be retained within you, the carrier, in order for process and seasonal change to mature you. Once the maturation period has taken place, you enter the season called multiplication.

The voice of the Lord is over the flood V5

Declaration over your own life:

I can see my strength beginning to rise in God. I can see my life and my circumstances changing; for this word is taking me above all and every internal flood that I have been experiencing, for I am rising. My ability to lead, change and run with the flow is changing. My response time to the voice of the Lord is improving. I am able to see, touch, hear and speak out that which is taking place within me, for there is a move taking place, irrespective of what I feel, think or see. His word is causing an acceleration of maturation within me to take place. His word is gathering pace and creating peace within me. His word is above all internal floods that I have experienced, as everything that has (past tense) and is happening (present tense) is for my maturing and personal development. God has got my back, my front and He is over me, that is why He is Majestic and beautiful in His holiness.
