

What Time is it

Just as the clocks go forward, the world takes notice and brings itself into alignment with the change. As you see the natural change so God has invaded time, mark this moment, mark this day as a spiritual marker where God declares the acceleration of action in the lives of his people individuals, families and corporate life. Walls of resistance are broken that which has hindered and held back it's time has come to an end. I see cracks appearing and water seeping through the dams that have held back the river of life. Align yourself to the time, for the season of acceleration is here, the season of acceleration is now. The season begins in you today.

The power of language – when God speaks He speaks out of his nature. When he sows his word to us, his desire is to form the same nature in us.

*2 Peter 1: 3-4 His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in **the divine nature**, having escaped the corruption in the world caused by evil desires.*

Spiritual vision in the night, lust of the eyes

We participate in the same nature so that we will feel as he feels.

*Duet 29:29 The secret things belong to the LORD our God, **but the things revealed belong to us and to our children forever, that we may follow all the words of this law.***

It becomes **your portion**, you own it some things taught some things caught, when it impacts your spirit it lasts a lifetime. **What is revealed to you becomes your access code for you to entre.** As God moves on us as a house we become more governmental, stature is changed in the spirit. What is revealed by the spirit allows each person to lay hold of him.

You don't need to know everything you need the access code revealed from heaven.

Hebrews 3:15 "Today, if you hear his voice, do not harden your hearts as you did in the rebellion."

We try so many things without God, property, business, careers finance, we just get ourselves in a mess, yet today is a new day.

Isaiah 48 6-7 You have heard these things; look at them all. Will you not admit them?

*"From now on I will tell you of new things, of hidden things unknown to you. They are created **NOW**, and not long ago; you have not heard of them before today. So you cannot say, 'Yes, I knew of them.'*

Today when you hear his voice don't harden your heart, **your heart is the first recipient of heaven**. Yesterday you may not have seen or even dreamed it yet it always existed in God.

He creates in a moment, what was invisible become visible, when you touch the word you touch the whole of heaven, Father Son Holy Spirit, we draw heaven down.

The race is not to the swift or the battle to the strong, but to those who will receive the word and mix it with faith and choose his will.

We come from many diverse backgrounds, taught we have to fight: sin, sickness, strongholds storms, circumstances, the devil we are set up for a life of struggles. **Foxhole mentality** just dig in and hope your strong enough to come through. Devil a roaming lion. We become so focused on not losing it that we never enter the real life in God. We spend our lives trying to get out of problems, surely our lives in God are bigger than that?

What time is it? Every time god speaks a new day/seasons begins the cycle of the past is cut off. Today when you hear his voice: God does something to time –Light overtakes the darkness, curses are broken – past pushed back. We are drawn into the future.

You are free to press in – when you hear his voice it's a fresh start, don't continue to live like you did in the past you are part of a new generation, a today people.

1 Thess 2: 13 And we also thank God continually because, when you received the word of God, which you heard from us, you accepted it not as a human word, but as it actually is, the word of God, which is indeed at work in you who believe.

*Ecc 8:5 Whoever obeys his command will come to no harm, and the wise heart will know the **proper time and procedure**.*

An acceleration of time.

John 2:1-11 On the third day a wedding took place at Cana in Galilee. Jesus' mother was there, and Jesus and his disciples had also been invited to the wedding. When the wine was gone, Jesus' mother said to him, "They have no more wine." "Dear woman, why do you involve me?" Jesus replied. "My time has not yet come." His mother said to the servants, "Do whatever he tells you." Nearby stood six stone water jars, the kind used by the Jews for ceremonial washing, each holding from twenty to thirty gallons. Jesus said to the servants, "Fill the jars with water"; so they filled them to the brim. Then he told them, "Now draw some out and take it to the master of the banquet." They did so, and the master of the banquet tasted the water that had been turned into wine. He did not realize where it had come from, though the servants who had drawn the water knew. Then he called the bridegroom aside and said, "Everyone brings out the choice wine first and then the cheaper wine after the guests have had too much to drink; but you have saved the best till now." This, the first of his miraculous signs, Jesus performed at Cana in Galilee. He thus revealed his glory, and his disciples put their faith in him.'

1. They find themselves at the Wedding banquet – The word from last year
2. They run out of wine, they thought they had enough to last
3. Mary they have run out of wine
4. Why do you involve me? My hour has not yet come.
5. Do what ever he tells you - The power to negotiate in a season that was not yet open
6. Six stone water jars, the kind used by the Jews for ceremonial washing, each holding from twenty to thirty gallons – Fill the jars with water so they filled them to the brim
7. In a moment the master changed the purpose of the vessel with one word, what it had always been changed in an instant, what have they called you what have you called yourself, one word from the master today changes everything.
8. When we entre we need to be clean, the washing – in this season you are standing clean because of the sacrifice of Jesus the water to wine, we are moving into covenant with the living God, where we have been has been good, as we accelerate into this season He wants all of you.
9. You have kept the best till now!
